

Cool off this summer with The Ice Age Kingdom Adventure At Sattva Necklace Mall

Hyderabad, May 5: This summer, Sattva Necklace Mall is turning up the cool factor—literally! Families are invited to escape the scorching heat and journey into a frozen prehistoric world with the launch of its spectacular Ice Age Kingdom. On till June 1st, this one-of-a-kind experience promises to be the highlight of the season for kids and adults alike.

As you step inside the mall, be transported to a world where life-size animatronic mammoths, sabre-toothed tigers, and other Ice Age creatures come to life in a stunning, immersive setup. Every corner of the mall has been transformed with

themed zones, interactive displays, and engaging adventure setups, making it a magical destination for families.

But that's not all—weekends are packed with hands-on creative workshops including fiber-glass painting, origami workshops, painting sessions, music therapy with African Drum Circle, and more—offering the perfect mix of fun, creativity, and learning for children. To add to the excitement, shoppers can enjoy exclusive deals and gift hampers from top fashion, food, and lifestyle brands within the mall—making it the perfect spot for both entertainment and retail therapy.
