MINT DEEP DIVE

The fact that India's top IT major is laying off 2% of its global workforce—12,000 employees—was bound to garner attention. What has especially caught attention is that these will mostly be mid and senior level roles. What does this mean for employees or those who're looking to join the IT sector? Watch!

MINT EXPLAINS

When Donald Trump announced 25% tariffs on Indian imports, many were left wondering what would be its exact impact. While the tariffs are a significant negative for several sectors, exports would be majorly affected. So, how will Trump's move affect the Indian economy? Watch!

LET'S GET REAL

Should you invest in India's largest office REIT IPO, Knowledge Realty Trust or KRT REIT, sponsored by Blackstone and Sattva Group, opening for subscription on 5 August 2025? Is it worth your money? What are the returns you can expect? Let's decode on this episode!
